

SCHOOL  
**JAM**

22<sup>nd</sup> October 2020

Dear Parents and Carers,

On **Friday 23<sup>rd</sup> October 2020** you will be receiving a username and password for 'School Jam'. This is a resource that you are able to access at home via an app which can be used to support your children in their weekly maths work.

What is School Jam?

- It's a parental engagement service linked to school.
- It's an app for parents, which sends you a weekly maths activity to try with your child.
- It includes maths help videos especially written for parents to show you what your child has been doing in class.
- It's fun for parents and children to do together.
- Activities are short and engaging and range from 4 minutes to 10 minutes long.

We are very excited to be providing this app and hope you find it a useful tool.

Kindest regards

Fran Cole  
Assistant Vice Principal/ Maths Subject Lead
