

## St Barnabas C of E Primary School – Autumn Term Newsletter 1 - 2021

Hello everyone, welcome back to the new term.

We have some very exciting news to share – last year we remodeled the KS2 corridor to create a flowing spacious area. Over the summer we had our new woodlands library installed. The library will encourage children to select fantastic books to take home and read. We will have a grand opening in the next few weeks...

A polite reminder that dogs are not allowed on to the school site, with the exception of registered support dogs.

We are excited to be able to offer a range of after school activities, and were staggered by the number of children who wanted to attend. As we are limited with numbers, we have tried to offer every child one club. Unfortunately not all children were able to be offered a place at their choice of club and where this is the case alternatives have been offered. If you do not wish for your child to attend, please let the office know so that the place can be offered to another child. Please note there are no spaces left in any clubs and the office staff can not change this.

This term our school value is Generosity and we will also be learning about courageous advocates past and present.
