

Dear Parent and Carers,

## Have you heard about White Rose Hub amazing NEW app? **It's 1-Minute Maths!**

### Who's it for?

This first version of the app is aimed at **Key Stage 1** pupils, and focuses on adding and subtracting – and on 'Subitising'. The **free mobile app** is available for **Apple/iOS, Android** and **Kindle**.

### How does it work?

1-Minute Maths offers children engaging and easily accessible practice in basic number. There's no specific route or starting point. Having chosen a topic, each user answers a series of randomly generated questions (a different set of questions every time means they learn the concept, not a sequence of answers).

When the one minute's up, the questions are automatically marked and presented on a breakdown screen, giving instant feedback on how they've done. If they're struggling with a question, a 'Hint' button reformats the question as a familiar manipulative display that mirrors the approaches used in the White Rose Maths schemes of learning.

### 7 top reasons for downloading and using 1-Minute Maths!

1. **Excellent practice – and no distractions.**
2. **A clear, intuitive process that children pick up straight away.**
3. **No login or internet access needed. Just download and play.**
4. **Enjoyable and motivating... How many can they get correct in one minute?**
5. **Helpful hints match those used in class.**
6. **Brilliant for building number fluency and confidence.**
7. **The mobile app is completely FREE!**

Kind regards, Miss Cole
