St Barnabas C of E Primary Academy

Primary PE & Sport Premium Planned Spend 2026/27

Total allocation: £TBC*

School priorities for 2026/27

- Embed and sustain Get Set for PE so that high-quality PE increases daily physical activity for all pupils.
- Maintain access to the Manchester Active Schools Partnership to support competitions, events, professional development and wider sporting opportunities.
- Provide additional/top-up swimming and water-safety provision for pupils who require further support to meet end-of-KS2 expectations.
- Broaden pupils' experience of physical activity and personal development through external events and competitive sport
- Monitor participation, inclusion and impact, including access for SEND, disadvantaged and less-active pupils.

Planned expenditure and intended impact

Key outcome / focus	School focus and intended impact	Actions to achieve	Cost	Evidence / monitoring	Sustainability / next steps
Engagement of all pupils in regular physical activity; increased staff confidence	• Increase purposeful physical activity at playtimes and lunchtimes. • Develop staff confidence in facilitating high-quality PE. • Ensure inclusive opportunities are available to pupils of differing needs and abilities.	• Continue with Get Set for PE and associated staff development. • Use the Get Set for PE to action plan to review PE provision, routines, approaches and use of resources. • Use pupil voice and participation observations to identify pupils or groups needing additional encouragement or adaptation.	**£10,500**	• PE coach action plan and reviews • Staff/pupil voice • Playtime observations • Participation and inclusion monitoring	• Embed approaches into everyday practice. • Develop staff and pupil ownership so improvements are sustainable beyond the grant.
Broader experiences and increased participation in competitive sport	• Provide pupils with access to a wider range of sporting experiences and competition. • Increase opportunities for pupils to represent school and take part in inter-school activity.	• Maintain membership of the Manchester Active Schools Partnership • Access suitable competitions, festivals, events and development opportunities across the year. • Target opportunities to encourage participation from pupils who may otherwise be less involved in competitive sport.	**£1,800**	• Competition/event registers • Participation records • Pupil voice • School celebration/communication records	• Use partnership opportunities to develop staff knowledge and build a sustainable programme of competition and enrichment.

Key outcome / focus	School focus and intended impact	Actions to achieve	Cost	Evidence / monitoring	Sustainability / next steps
• Swimming and water safety	• Increase the proportion of pupils who can swim competently and confidently and demonstrate effective water-safety skills. • Provide additional support to pupils not yet meeting the expected swimming outcomes.	• Provide additional/top-up swimming and water-safety opportunities over and above core curriculum provision. • Use prior assessment to identify pupils requiring further support and track progress following additional provision.	**£1,500**	• Swimming assessments • Attendance records • 25m, stroke and self-rescue outcomes • Provider reports	• Use assessment information to target future provision precisely. • Build pupils' confidence, competence and understanding of water safety.
• Broader experience of sport and physical activity; personal development	• Extend physical activity and enrichment opportunities through external events and competitive sport • Develop teamwork, resilience, independence and positive participation in physical challenge.	• Fund through Manchester Active Schools Partnership* • Plan participation so all pupils within the selected cohorts can access the experience, including reasonable adjustments where required. • Celebrate completion and gather pupil voice to evaluate impact.	**£1,800***	• Participation/completion records • Pupil voice • Staff evaluation • Celebration records	• Evaluate impact during 2026/27 and determine how successful elements can be sustained or incorporated into future enrichment.

Budget summary

Total PE and Sport Premium allocation	£17,300
Sports Coach	£10500
Get Set for PE	£500
Manchester Active Schools Partnership	£1,800
Additional/top-up swimming and water safety	£1,500
Sports Equipment	£1,500
Enhanced break & lunch provision equipment	£1,500

Total planned expenditure: £17,300 | Funding remaining: £0

Review arrangements

- Head of School and PE lead to review expenditure, participation and intended impact during the year.
- Governors to receive updates through the Principal's Report and end-of-year evaluation.
- Website reporting and the statutory PE and Sport Premium return to be completed in line with current requirements.

Planning note: Swimming expenditure is described as additional/top-up swimming and water-safety provision so that premium funding is clearly directed to enhancement beyond core curriculum provision.
